

TRAIN YOUR TEAM

Partner with Women Talk Design to empower individuals at your company to confidently share their work and grow as leaders.

SPEAK UP

Empower team members to present their work and ideas with confidence at meetings.

BE SEEN

Prepare team members to speak at external events & conferences on behalf of your company.

INVEST

Invest in the professional development of current and future leaders in your organization.

HAVE IMPACT

Support an organization working to elevate under-heard voices in design & tech.

Our programs

At Women Talk Design, we partner with organizations to empower team members to become effective communicators.

Our programs are design-driven, prioritize creating a safe space for participants to practice and learn, and emphasize feedback and community. We facilitate 1-hour, half-day, or multi-day virtual programs on topics including:

- *Speak Up: Why you should present and how to get started*
- *Public Speaking Essentials: Online edition*
- *Design Your Talk Topic*
- *Present with Story*
- *Craft a Compelling Presentation and Deliver with Confidence*

“This is one of the most valuable workshops I've attended! The mix of learning and applying these learnings in exercises was incredibly helpful. Thank you!” – Facebook Design workshop participant

About Women Talk Design

Women Talk Design is committed to elevating the voices of women and nonbinary people. What started as a Speaker Directory in 2013, today Women Talk Design elevates the voices of women and nonbinary people through our directory, curates resources for event organizers on how to design more inclusive events, and facilitates events and trainings for our 5,000+ community to help individuals become more confident public speakers.
